PROXUS RECEIVES PLATINUM AWARD FROM PAYCHOICE FOR OUTSTANDING PERFORMANCE AND GROWTH

Prestigious Award Ranks PROXUS in Top 2% of Software Developer's Fastest Growing Licensees

FORT WASHINGTON, PA, October 27 - PROXUS was the only payroll company in the Delaware Valley to receive one of six Platinum awards for outstanding achievement and exceptional growth from software developer, PayChoice at their 15th Annual Users Conference in San Diego in September. PROXUS continues to be one of the fastest growing and most successful payroll licensees and this achievement catapults them into the top 2% of PayChoice's 260 independent payroll service bureaus nationwide for the July 2007 through June 2008 time period. PayChoice Director of Marketing & Communications, Mary Fertig says, "PROXUS' leadership and professional staff combined with their ability to fully leverage the capabilities of our technology enables them to give better service to the clients."

According to PROXUS Principal, Chris Cumo, "We're very proud to receive this award and for the high level of performance generated by our entire team, as it's the second time in the past four rating periods that PROXUS has achieved this level of growth. Since the company's inception in 2002 we've been recognized by PayChoice as one of their strongest service bureau licensees."

PROXUS was formed in 2007 as a joint venture between Professional Payroll Solutions, a proven provider of payroll administration solutions and Granatt HR, a human resource management and consulting firm. The two firms united to provide existing and prospective clients with a wide variety of program and service options including payroll, human resources and benefits services. The PROXUS range of service runs the

full gamut—from assisting small and medium-size organizations with the outsourcing of one specific service such as payroll, to the outsourcing and consolidation of all human resource tasks. The overarching goal is to help clients reallocate their time to focus on their CORE business.

About PROXUS

PROXUS is located in Fort Washington and has 40 employees who are payroll, human resource and benefits professionals. They are currently serving over 500 clients with a total of 30,000 employees. More important, the number of benefit lives covered by PROXUS has increased 200% year-over-year. PROXUS serves companies with as few as five employees to 5,000 employees spanning a wide range of industries and markets, including retail operators, educational institutions, manufacturing facilities, professional service firms and health care organizations, just to name a few. Their main focus is to design custom services tailored to the individual needs of each client supported by personal service and technology.
